SINCE 1997

# ABOUT US

SECURE EQUIPMENT  
TRADING SDN BHD  
Since 1997

Secure Equipment had started operation since 1997 and become one of the leading companies in supplying both new and used machine tools and sheet metal machines. We are supplying the machines to metal cutting and engineering industries.

We also ventured into overseas business by import & export all kinds of used machine tools for our dealers and end-users. For new machine, we offer the world well-known best selling machine tool and sheet metal machines. We always hold on to the protocol that we will always provide the best quality of products and services to our valuable customer.
