

CORPORATE PROFILE

Working hard for something
we don't care about is called stress.

Working hard for something
we love is called passion.

Alby Chong

Alby Chong
Founder & Group MD

FOUNDER & GROUP MD

Mr. Alby Chong , born in Ipoh in 1971.

When he was 7 years old. Just a little kid, he helped and worked in his family restaurant. He was a cashier and as a kid , he learnt the rudiments of finance and business. He was very passionate and determined to succeed. Unfortunately the restaurant business was not suitable and compatible with their business ideals.

Chong's parents switched and ventured into another business. Together with his other siblings, they struggled to help his parents. In such a tough and competitive business environment, he struggled and persisted. He dreamed one day that he would become a successful businessman.

In 1997, at the age of 26, Alby Chong used his RM6000 savings to start and venture into his own career. With his vision, dedication and hardwork, he finally succeed and achieved his dream.

In the past 20 years, Alby Chong continued to expand and diversified his business. Together with capable partners, he is now diversifying and continue looking for other business prospects.

At present, the Group's business includes Industrial Machinery, Toolings, Recycling (industrial waste), Food & Beverage and Sports Center.

Always Be Different

ABOUT US

Secure Equipment had started operation since 1997 and become one of the leading companies in supplying both new and used machine tools and sheet metal machines. We are supplying the machines to metal cutting and engineering industries.

We also ventured into overseas business by import & export all kinds of used machine tools for our dealers and end-users. For new machine, we offer the world well-known best selling machine tool and sheet metal machines. We always hold on to the protocol that we will always provide the best quality of products and services to our valuable customer.
